PETITION FOR REINSTATEMENT UNDER 37 C.F.R. §1.181

Pursuant to 37 C.F.R. §1.181, Applicants hereby petition to have the above application reinstated. Applicants filed the application in January of 2002. Within a two month period, Applicant received the return postcard back from the USPTO indicating the serial number and verifying the filing date. In July of 2002, Applicants submitted a Supplemental IDS form. A follow-up date of 1 year, July 2003, to check on the status of the application was entered into the undersigned's docketing system by the undersigned's Paralegal, Jennifer Warner, who handles all docketing for patent matters in our office.

I made a status call to the Examiner, Gene Crawford, about this patent application on July 15, 2003. Examiner Crawford was the Examiner in the parent application. Examiner Crawford said that the application had not yet been assigned to him and that the application remained at the Initial Patent Examination Division (IPED).

Ms. Warner contacted the IPED. This Notice to File Missing Parts was never received.
